[Audit]

DIRECTING THE BUDGET ANALYST TO CONDUCT AN AUDIT OF THE SAN FRANCISCO FILM AND VIDEO ARTS COMMISSION.

BE IT MOVED, That The Board of Supervisors hereby directs the Budget Analyst to conduct an independent audit of the San Francisco Film and Video Arts Commission, specifically:

1. How San Francisco's film office is established compared to other city film offices:
  - a. How appointments are made to a "film board".
  - b. Which part of government sponsors the film office.
  - c. How the film office is funded (hotel tax funds).
2. If a "fair share" of hotel tax funds collected due to work of film office in winning productions here would pay for the office.
3. If an increase in funding would bring in even more business to hotels, etc. and thus make it profitable to expand the film office as a "revenue producing" office.

4 WHEREAS, The Board of Supervisors has recently adopted by

[Findings]

ADOPTING FINDINGS RELATED TO THE APPEAL OF THE CITY PLANNING COMMISSION'S APPROVAL OF CONDITIONAL USE APPLICATION NO. 91.746DC AT 117-127 DIVISADERO STREET, WHICH WOULD PERMIT TWO LOTS TO BE MERGED INTO ONE LOT AND AUTHORIZE THE CONSTRUCTION OF SIX UNITS IN A SINGLE BUILDING DESIGNED TO HAVE THE IDENTITY OF TWO FOUR-STORY BUILDINGS AT A DENSITY RATIO OF UP TO ONE DWELLING UNIT FOR EACH 1,000 FEET OF LOT AREA IN AN RH-3 (HOUSE, THREE-FAMILY) DISTRICT.

Appellants Robert M. Anderson and Roy D. Bateman filed a timely appeal on October 23, 1992, protesting the approval by the City Planning Commission of an application for a conditional use authorization at 117-127 Divisadero Street, which would allow the applicant to merge two lots into one lot and construct six units in a single building designed to have the identity of two four-story buildings at a density ratio of up to one dwelling unit for each 1,000 feet of lot area in an RH-3 (House, Three-Family) district.

The public hearing on the appeal was first scheduled for November 16, 1992, but was continued to December 7, 1992 at the request of the parties to give the parties additional time to try to resolve the issues.

WHEREAS, The 1992-1993 Civil Grand Jury has submitted a final report of findings and recommendations pertaining to the Mayor's Office, City Planning Commission, and Recreation and Park Department during that fiscal year and state law provides for comments and reports to be submitted to the Presiding Judge of the Superior Court who empaneled the Civil Grand Jury; and

1 [Findings]

2 ADOPTING FINDINGS RELATED TO THE APPEAL OF THE CITY PLANNING  
3 COMMISSION'S APPROVAL OF CONDITIONAL USE APPLICATION NO. 90.378C,  
4 SUBJECT TO CERTAIN CONDITIONS, WHICH AUTHORIZED THE CONVERSION OF A  
5 SIXTY-TWO UNIT RESIDENTIAL HOTEL TO A SIXTY-TWO UNIT TOURIST HOTEL,  
6 AND FOR A COMMERCIAL USE GREATER THAN 2,500 FEET, FOR PROPERTY  
7 LOCATED AT 2237 MASON STREET, KNOWN AS THE SAN REMO HOTEL; MAKING  
8 PROP M FINDINGS.

9  
10 The appellant and applicant filed a timely appeal on February  
11 22, 1993, protesting the conditions attached to the approval by the  
12 City Planning Commission of an application for a conditional use  
13 authorization which authorizes the conversion of a sixty-two unit  
14 residential hotel to a sixty-two unit tourist hotel, and for a  
15 commercial use greater than 2,500 feet, for property located at 2237  
16 Mason Street, known as the San Remo Hotel.

17 The public hearing on said appeal was first scheduled for  
18 March 22, 1993, but was continued at the request of the  
19 applicant/appellant to March 29, 1993, and then to April 19, 1993.

20 On April 19, 1993, the Board of Supervisors conducted a duly  
21 noticed hearing on the appeal from the approval of the conditional  
22 use authorization.

23 In reviewing the appeal of the approval of the conditional use  
24 authorization, this Board reviewed and considered the written record  
25 before the Board and all of the public comments made in support of

1 and opposed to the appeal.

2 NOW, THEREFORE, BE IT MOVED, That the Board of Supervisors of  
3 the City and County of San Francisco hereby adopts as its own and  
4 incorporates by reference herein as though fully set forth the  
5 findings made by the City Planning Commission in its motion No.  
6 13451, dated January 21, 1993; and, be it

7 FURTHER MOVED, That the Board of Supervisors specifically  
8 adopts as its own and incorporates by reference herein as though  
9 fully set forth the findings made by the Planning Commission in its  
10 motion No. 13451, dated January 21, 1993, that the proposed  
11 conversion complies with the Master Plan and the Priority Policies  
12 of Planning Code Section 101.1.

13 FURTHER MOVED, That this Board, after carefully balancing the  
14 competing public and private interest, hereby denies the appeal of  
15 the decision of the City Planning Commission and approves the  
16 granting of Conditional Use Application No. 90.378C subject to the  
17 conditions imposed by the City Planning Commission in its motion No.

1 [Encroachment Permit -- Aqua Restaurant]  
 2 GRANTING TO AQUA RESTAURANT A MINOR SIDEWALK ENCROACHMENT PERMIT  
 3 ALLOWING THE PROPERTY AT 252 CALIFORNIA STREET TO PLACE TWO PLANTERS  
 4 AT THE ENTRY TO THE BUILDING AT THAT LOCATION, PROVIDED THAT THE  
 5 PLANTERS SHALL NOT EXCEED 15.5 INCHES IN WIDTH.  
 6

7 Aqua Restaurant, through its representative, Stacey Morrone,  
 8 filed a timely appeal protesting the denial by the Department of  
 9 Public Works of a Minor Sidewalk Encroachment Permit which would  
 10 have allowed the applicant to place two planters at the entry to the  
 11 building at 252 California Street.

12 The appeal was referred to the Housing and Land Use Committee  
 13 of the Board of Supervisors where it was initially heard on March 4,  
 14 1993 and continued to March 18 and April 15, 1993.

15 The applicant requested that it be permitted to place the  
 16 planters at the entry door to its business. The Department of  
 17 Public Works recommended that the planters be placed adjacent to the  
 18 curb.

19 In reviewing the appeal of the denial of the requested Minor  
 20 Sidewalk Encroachment Permit the Committee reviewed and considered  
 21 the written record before the Committee and all of the public  
 22 comments made in support of and opposed to the appeal.

23 The Committee recommended that the requested Minor Sidewalk  
 24 Encroachment Permit be granted for the placement of two planters at  
 25 the entry to the building, provided that the planters shall not

5150g  
 BOARD OF SUPERVISORS

PAGE NO. 1

1 exceed 15.5 inches in width.

2 NOW, THEREFORE, BE IT MOVED, That the Board of Supervisors of  
 3 the City and County of San Francisco hereby finds that the applicant  
 4 has agreed to reduce the size of the planters from a width of 31  
 5 inches to 15.5 inches, with the planters being placed on the  
 6 sidewalk at either side of the entry on the property line. Such  
 7 positioning would provide the ADA required three foot minimum clear  
 8 path of travel. If the planters were placed adjacent to the curb  
 9 rather than adjacent to the entry door then patrons would actually  
 10 be entering and exiting directly into sidewalk traffic. The  
 11 placement of the planters adjacent to the door provides a buffer  
 12 area for people to collect outside the door and not in the sidewalk  
 13 area. Additionally, the sidewalk width of fifteen feet appears  
 14 ample for the pedestrian flow in the area.

15 FURTHER MOVED, That the Board of Supervisors finds that the  
 16 proposed encroachment would not occupy more than 10 percent of the  
 17 area of the sidewalk fronting the property nor more than 25 percent  
 18 of the width of the sidewalk.

19 FURTHER MOVED, That the Board of Supervisors finds that the  
 20 requested minor encroachment would be desirable in conjunction with  
 21 the owner's use and enjoyment of the property, and would be required  
 22 for the safety, convenience and comfort of the public using the  
 23 sidewalk.

24 FURTHER MOVED, That the Board of Supervisors considered the

1 location, neighborhood pattern, anticipated pedestrian traffic,  
2 access requirements of the Fire Department, and the convenience and  
3 necessities of the owners, occupants and tenants of offices, stores  
4 and shops in the vicinity.

5 FURTHER MOVED, That the requested minor encroachment would not  
6 be inimical to the health, welfare, safety and best interest of the  
7 general public, or in violation of the Charter or laws of the City  
8 and County of San Francisco or laws of the State of California.

9 FURTHER MOVED, That the Board of Supervisors, after carefully  
10 balancing the competing public and private interests, hereby  
11 disapproves the decision of the Department of Public Works to deny  
12 the granting of a Minor Sidewalk Encroachment Permit for property  
13 located at 252 California Street to place two planters at the entry  
14 to the building, and hereby grants to the applicant a Minor Sidewalk  
15 Encroachment Permit for property located at 252 California Street to  
16 place two planters at the entry to the building, conditioned upon  
17 the planters being no wider than 15.5 inches.

18 FURTHER MOVED, That the granting of the Minor Sidewalk  
19 Encroachment Permit is conditioned upon the applicant complying with  
20 all other requirements of law that apply to the encroachment,  
21 including the requirements of San Francisco Public Works Code  
22 Section 723.1 that the applicant agree to hold harmless the City and  
23 County of San Francisco, its officers, agents and employees, pay any  
24 necessary inspection and investigation fees, and sign and record the  
25 authorized permit.

 the Director of Public Works of a Minor Sidewalk Encroachment Permit  
 which would allow the applicant Regents of the University of  
 California, through its representative, Mt. Sutro Woods Owners  
 Association, to remove and relocate existing wooden  
 bulkheads/planter boxes and to landscape the unimproved sidewalk  
 area along Crestmont Drive fronting property owned by the University  
 of California for the purpose of neighborhood beautification and  
 erosion control.

The appeal was referred to the Housing and Land Use Committee  
 of the Board of Supervisors where it was heard on November 4, 1993.

In reviewing the appeal of the granting of the requested Minor  
 Sidewalk Encroachment Permit the Committee reviewed and considered  
 the written record before the Committee and all of the public  
 comments made in support of and opposed to the appeal.

The Committee recommended that the appeal be denied and that

the requested Minor Sidewalk Encroachment Permit be granted to allow  
 the removal and relocation of existing wooden bulkheads/planter  
 boxes and the landscaping of the unimproved sidewalk area along  
 Crestmont Drive fronting property owned by the University of  
 California for the purpose of neighborhood beautification and  
 erosion control.

NOW, THEREFORE, BE IT MOVED, That the Board of Supervisors of  
 the City and County of San Francisco hereby finds that the proposed  
 encroachment would not occupy more than 10 percent of the area of  
 the sidewalk fronting the property nor more than 25 percent of the  
 width of the sidewalk.

FURTHER MOVED, That the Board of Supervisors finds that the  
 requested minor encroachment would be desirable in conjunction with  
 the owner's use and enjoyment of the property, and would be required  
 for the safety, convenience and comfort of the public using the  
 sidewalk.

FURTHER MOVED, That the Board of Supervisors considered the  
 location, neighborhood pattern, anticipated pedestrian traffic,  
 access requirements of the Fire Department, and the convenience and  
 necessities of the owners, occupants and tenants of offices, stores  
 and shops in the vicinity.

FURTHER MOVED, That the requested minor encroachment would not  
 be inimical to the health, welfare, safety and best interest of the  
 general public, or in violation of the Charter or laws of the City  
 and County of San Francisco or laws of the State of California.

7 owned by the University of California for the purpose of
